Release Notes: The software update will provide functionality/ usability improvements to the features and capabilities of this model. These are as follows:

- Added new CAN-Bus feature: PlayLink now available.

- Added missing translations, now complete.

- Added support for HDMI audio.

- Added new colour skins; now a choice between blue, red, green or silver.

- This software release is a stage in the CAN Bus launch process. Details relating to the official CAN-Bus launch will shortly be posted on the Classe website [www.classeaudio.com](http://www.classeaudio.com). CAN-Bus will not be fully operational before this point.
